Mexico HE

High efficiency open vent boiler

Promising years of seamless performance and superb efficiency, our comprehensive range of open vent boilers are ideal if you need a direct replacement or a larger output. Our SEDBUK band 'A' rated appliances, offer the benefits of a compact design and flexible siting, plus the peace of mind that comes with minimal maintenance and low running costs.

Features and benefits of Mexico HE

- SEDBUK band 'A' fuel efficiency rating to lower emissions and reduce heating bills
- 1 year parts and labour warranty to ensure complete peace of mind
- Compact floor-standing design- ideal for replacement situations
- User friendly status display featuring temperature control and diagnostics for rapid servicing, plus optional remote user kit
- Outputs ranging between 15kW - 36kW

Replacing your old boiler with an A-rated boiler from Ideal is a great way to reduce your heating bills and help the environment. Our 'A' rated high efficiency boilers are over 90% efficient and could save you up to £235 every year on running costs*, in addition to lowering your carbon footprint. With ever rising fuel costs, there has never been a better time to upgrade your old boiler.
