

bathroom furniture

space furniture

Highly space efficient bathroom furniture that provides a dual role, provision of storage space and a convenient method of concealing soilpipes, wastepipes and supply pipes.

Using the Space sanitaryware range sophisticated design solutions are possible in even the smallest rooms.

- Space efficient, short projection units
- Provides storage space
- Matching bath panels
- Conceals unsightly pipes
- Four finish options

Weight

75cm bath unit 18.0kg
