washbasin bracket - manual

Multi System manually operated washbasin mounting brackets allow height adjustment of washbasins.

Brackets can optionally be adjusted horizontally.

Suitable for Aegean, Portman washbasins and Salonex hairwash basins.

- For occasional height adjustment
- Portman and Aegean washbasins
- Salonex hairwash basin
- Optional horizontal adjustment

Illustrated

S6680 Multi System washbasin mounting bracket for Portman 50 and Aegean washbasins, manually operated. Vertical adjustment up to 25cm and horizontal adjustment with rail see page 18:1:13

Weight

Vertical and horizontal adjustment 10.0kg
Vertical adjustment 8.4kg

Options

S6681 Multi System washbasin mounting for Portman 50 and Aegean washbasins, 25cm vertical adjustment

S6683 Multi System washbasin mounting for Salonex washbasins, 25cm vertical adjustment

S6682 Multi System washbasin mounting for Salonex washbasins, vertical adjustment up to 25cm and horizontal adjustment

Special notes

Manual brackets require two people to adjust basin heights. Washbasins require flexible waste and feed systems, see page 18:1:7. Multi System is manufactured by Pressalit Care
