

# seats astra - saturn - dania

Astra is an ergonomically designed luxury seat that fits all British Standard size WCs. Saturn is a high quality seat & cover manufactured from high impact resistant co-polymer. Astra and Saturn seats are suitable for back to wall WCs where standard pillars are inaccessible as well as for free standing types. Special hinges on both seats allow quick removal of the seat for easy cleaning. Dania, a 5cm raised seat, is suitable for use with Tiffany and Cameo WC pans
