BODY & MIND

At Ideal Standard, we believe that **creativity** is the catalyst for continuous evolution in your bathroom. As Europe's **leading brand**, we aim to create living space that reflects your life and your priorities... an environment that is blissfully easy to maintain and that expresses our three guiding principles: **design, functionality and innovation**. Ideal Standard is the realisation of personalised well-being; a fusion of ideas and materials to create a place where body and mind are immersed in renewed pleasure, day after day. Discover the new ground-breaking solutions that capture your desires.

*Ideal
Standard*

IdealForm Plus+ is a special collection of baths representing the **highest-quality** design and the latest technology and engineering. Designed for living and built to last, the range perfectly complements whatever bathroom style you create. IdealForm Plus+... your personal bathing space.

IdealForm Plus+

Deceptively strong, amazingly rigid

Moulded from top-quality acrylic sheet that is warm to the touch, our IdealForm baths are already designed and made to the highest standards. The added benefits of our latest range, IdealForm Plus+, take bathing to a new level of luxury.

Integrity built in

Four different layers combine to give IdealForm Plus+ a body of exceptional strength and rigidity. The outer shell is of vacuum-formed, high-quality acrylic. Luxuriously glossy and smooth to the touch, this stain-resistant surface is also wonderfully easy to clean and resistant to wear and tear. But the real strength of the bath is in what lies beneath.

The second layer is a blend of glass-reinforced polymer and resin, specifically designed and engineered to deliver exceptional rigidity. Next comes an impressive 18mm-thick encapsulated baseboard. Thanks to this solid core, your IdealForm Plus+ bath will never suffer from creaking and movement. The foundation layer is a special glass-reinforced polymer and resin mix. This not only creates an ultra-strong bonded bath but also provides exceptional insulation, ensuring the water retains its heat for a longer, more relaxing bath.

For total peace of mind, every bath comes with our 25-year guarantee.

IdealForm Plus+ Points

- 1 The waste is finished to a smooth, flat surface for easier installation.
- 2 For maximum stability, the leg beams fix across the base and into the frame.
- 3 An 18mm encapsulated baseboard provides a supremely sturdy core.
- 4 The encapsulated frame gives extra strength and rigidity and is predrilled for legs, wall brackets and panel fittings.

Functionality

It's not enough for a bath to look good: it should offer the most comfortable and restful experience of your day. Combining the science of relaxation with progressive technology, IdealForm Plus+ baths are designed to give support where it's needed while allowing ample space to unwind.

Design

The right model of bath is an essential part of your bathroom. Whatever your taste, whatever your environment, the IdealForm Plus+ range offers a inspiring choice of styles and shapes to complement your perfect bathroom.

Innovation

Engineered for long-term reliability and durability, IdealForm Plus+ combines top-quality materials and workmanship with the latest technology to create the ultimate bathing experience.

Lexington

Transform your bathroom into a haven of style that's too good to keep to yourself. Lexington (pictured opposite) is a blend of intelligent design and stunning aesthetics. Specially created for sharing, it has a gently curved backrest at each end – the perfect invitation to lie back and enjoy bathtime for two.

+ design

Breadth of choice

When it comes to choosing taps, we leave your options open. All the baths in the IdealForm Plus+ range are supplied undrilled, so you are free to position your favourite brassware – be it pillar taps, a mixer or a wall-mounted fitting – wherever you like.

Lido 180

The elegant and capacious oval interior of this 180 x 80cm bath (above) make a long soak all the more relaxing.

Suitable for use with Ideal Standard Connect bath screens.

Lido Arc

The soft, sensuous curve of Lido Arc's deep bow front (opposite) provides generous space and exceptional comfort. Double-ended, this model is perfect for couples who love to unwind together.

+ functionality

Matching bath panels

IdealForm Plus+ baths are designed to be used with matching bath panels for easy installation.

Exceptional sturdiness

Whichever IdealForm Plus+ bath you choose, its multi-layered structure and solid heart of 18mm encapsulated baseboard mean you will never have to put up with movement and creaking.

Washpoint

Simplicity perfected. A refined, minimalist shape complete with a sloping backrest, Washpoint (above) lends a comfortable yet contemporary touch to your bathroom.

Suitable for use with a range of Ideal Standard bath screens.

+ functionality

Easy Installation

We don't leave anything to chance. All IdealForm Plus+ baths are pre-drilled for leg sets, bath panels and wall brackets to make installation as mess-free and stress-free as possible.

Create Corner

Attractive and ergonomic, this corner bath fuses form and function in its geometric lines and sinuous curves. With a water capacity of up to 247 litres, it offers the ultimate in bathing, but can also be combined with a screen for a revitalising shower. Suitable for use with Ideal Standard Create bath screen.

Space

Make the most of your Space: a generous showering area and full-size bath combined give you the best of both worlds, even in a smaller room. The screen folds outwards as well as inwards, which makes it easier to use the bath when the shower is not in use.

Space - Available in 150cm and 170cm, Left Hand and Right Hand.

Harrow

The simple lines of Harrow (opposite) are perfectly at home in both contemporary and classic bathrooms. This versatile design is available with or without bath grips and in two lengths – 170cm or, for the compact bathroom, 150cm. The choice is yours.

Suitable for use with a range of Ideal Standard bath screens.

Lido Corner

A real focal point and a clever use of space, the Lido corner bath adds a look of luxury to any bathroom.

+ innovation

Heat retention

The foundation layer of IdealForm Plus+ baths is made from a special glass-reinforced polymer and resin mix which has exceptional insulating properties. In other words, your water stays warmer for longer.

Marina

Offering ample bathing space, the versatile Marina (opposite) comes not only in our standard 170cm length but also in 180cm for an extra-long soak.

Suitable for use with Ideal Standard Connect bath screens.

+ functionality

For our younger and older customers Admiral and Marina have chrome hand grips fitted as standard for easy access.

Admiral

Modern styling in old-fashioned sizes (above): the Admiral allows you to fit a modern bath in the space of a traditional 5'6" bath. Suitable for use with Ideal Standard Connect bath screens.

Guarantee

Our confidence in the quality and reliability of Ideal Standard products enables us to guarantee all IdealForm Plus+ baths for 25 years from date of purchase. The guarantee does not cover general wear and tear. Our guarantee is offered on all products that have been used in the manner for which they were intended, and does not apply to any products that have been misused or abused in any way. Products must be installed and cared for in line with our fixing instructions and local water byelaws. The guarantee covers products in domestic use by the consumer and not commercial or business use.

In the unlikely event the product fails within the guarantee period, we offer a free replacement or replacement part (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss or damage on installations. When your bathroom has been satisfactorily installed and is working well, please ensure you register your guarantee. The guarantee is transferable - it applies to the product not the purchaser provided guarantee registration details are passed on to the new owner. You can register for guarantees on a bathroom bought on your behalf by a plumber or builder.

Applies to UK and Republic of Ireland only. This guarantee does not affect your statutory rights.

Ideal Standard pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice. Colour reproduction is as accurate as possible within the limitations of the printing process. Ideal Standard (UK) Ltd. P1178 02/08.
