Please note. When a coloured radiator or radiators over 2 meters have been ordered they cannot be cancelled or returned.
All colour radiators have a 6 week lead time.

Packaging

Robust packaging protects the product right through to hand over. Installation instructions can be found on the reverse of the identification label. Example packaging only. The packaging for each radiator will vary.

All fixing requirements are complete within the packaging. Content will vary depending on product.

Accessories

Floor standing brackets provide a practical solution for standard models, where situations, such as tiled walls, create installation difficulties.

Full height and anti-lift brackets are available for a secure fixing in commercial applications.

Towel rail bar (Ultra only). See page 51 for Stelrad UIN.

Optional extension pieces for easy replacement.

Optional 3/4 inch valve adapter for connection without performance reduction.

Preset key (Eco only). Part of the hardware pack. UIN no. 9222.
