

cisterns & fittings flushpipes

A range of high level telescopic plastic flushpipes, in white, to suit top and back inlet WCs. Offsets are varied to suit different cistern outlets.

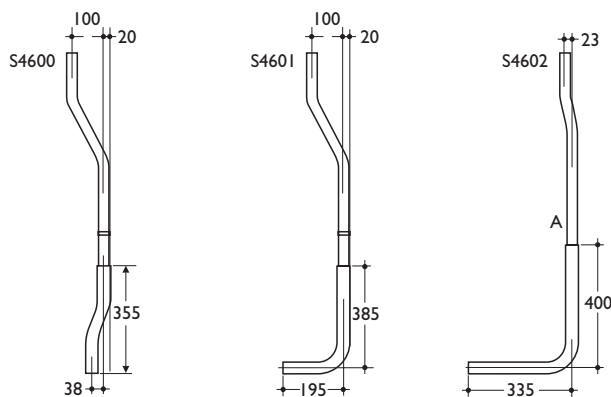

For special requirements flushpipes are available for fixing clear of wall.

Upper section 35mm O.D.
Bottom offset or bend 38mm O.D.

Flushpipes can be reduced in height on site, provided WC will flush with the cistern fixed at a lower height.

- For WCs
- Telescopic
- Top and back inlet WCs
- Variable heights

- For Conceala cistern
- For Clena cistern
