

AQUIS

AQUIS is designed to fit all you practically need into a smaller bathroom or making a bigger one more expansive. The slim, storage-rich profile and semi-recessed, full-size basin mean you don't have to compromise to economise. And the stunningly simple lines and breathtakingly white and shiny finish enhance that sense of space.

AQUIS PRODUCT RANGE

AQUIS VANITY UNITS

AQUIS BACK TO WALL FURNITURE

AQUIS SYSTEM FURNITURE

The lines couldn't be cleaner, the slim design couldn't be more adaptable, the finish couldn't be more immaculate.

THIS IS THE AQUIS RANGE

The ultra pure white gloss and natural timber effects which are available across the product range creating bathroom innovation.

Clearly defined in three different applications,

- VANITY UNITS
- BACK TO WALL FURNITURE
- SYSTEM FURNITURE

AQUIS VANITY UNITS

AQUIS BACK TO WALL FURNITURE

AQUIS SYSTEM FURNITURE

AQUIS SYMBOLISES
THE AMBIENCE OF THE
MODERN BATHROOM

AQUIS VANITY UNITS CLASSIC AND TREND BASINS

The backbone of the Aquis range is its sizes of floorstanding vanity units with ceramic basins. On the smaller sizes the units are available with two doors as well as some door & drawer options, all offering excellent amounts of storage. The units are pre-assembled and prepared to accept the vanity basin making installation quick and simple. With deep and practical basins which are made from stunning white ceramic that not only looks great but is easily maintained.

AQUIS BACK TO WALL FURNITURE

For the more involved bathroom solution Aquis Back to Wall furniture has the answer. With a selection of Counter top units, a W/C unit and Filler panel together with Bath panels you can completely transform your main bathroom or en-suite. Having a concise range of sanitaryware, brassware and accessories you can tailor your bathroom to your particular requirements.

AQUIS SYSTEM FURNITURE

Available in three widths these products could not be simpler to install, taking the most popular vanity sizes and combining them with a W/C unit. The vanity unit is pre-cut to accept the basin and the W/C unit comes supplied with a dual flush cistern. The unit is also cut for toilet connections and button installation. The W/C unit can be sited either side of the vanity unit offering you greater flexibility.

AQUIS: INSTALLATION

Aquis bathroom furniture is designed for domestic use in well ventilated areas fitted with a suitable extractor fan. Products should be installed and cared for in accordance with our fitting and care instructions.

Wall mounted units are supplied with substantial mounting brackets. The installer must provide suitable wall fixings dependent on the type and condition of the wall. Secondary wall fixing may be required on the unit by the installer.

It is important that a waterproof sealant is used on cut or raw edges and particular attention should be given to areas around the basin and bath.

Mirror/Canopies should be installed at your required height, leaving a minimum gap of 50mm above the basin.

ELECTRICAL INSTALLATIONS Electrical connections should always be carried out by a qualified electrician. Canopies, lights and illuminated mirrors are IP rated to ensure they are fitted in the correct zone. Care should be taken to avoid shower spray or splashing. Electrical appliances connected to mirror canopies should not be operated whilst bathing or showering.

ELECTRICS

Mirror canopies

To B.S. EN 60598-1-2004

Canopy rating IP34

AQUIS: GUARANTEES

GUARANTEE: FURNITURE AND CERAMIC SANITARYWARE A guarantee against manufacturing defects applies to all furniture, fittings and ceramic sanitaryware. The surfaces of ceramic products may contain imperfections. The guarantee is limited to domestic use by the consumer in a well-ventilated area fitted with an extractor fan. The guarantee is offered on all products used in the manner for which they were intended and does not apply to products that have been misused or abused in any way.

The products must have been installed and cared for in accordance with our fitting and care instructions and the appropriate bylaws and regulations. The guarantee does not cover general wear and tear. In the unlikely event that a product fails within the guarantee period we will offer a replacement or replacement parts (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or further installation costs involved.

The guarantee, which applies to the UK only, is limited to the original purchaser and is not transferable. This guarantee does not affect the customer's statutory rights.

GUARANTEE: BRASSWARE

Brassware is covered by a five-year guarantee against manufacturing defects providing that the product has been installed correctly and the correct plumbing practices have been carried out. Sprung pop-up wastes and shower kits including handsets and metal flexible tubes carry a one year guarantee. The guarantee does not cover general wear and tear.

GUARANTEE: LIGHTS AND ILLUMINATED MIRRORS Electrical fittings and components together with illuminated mirrors are covered by a one-year guarantee, (excluding tubes and bulbs) provided they have been correctly installed and used for the purposes for which they were intended.

GENERAL Please inspect all products carefully before installation. The guarantee does not cover any subsequent installation costs incurred if faults, which would have been evident at the time of delivery are discovered after installation.

AQUIS: GUIDELINES FOR CARE AND MAINTENANCE

FURNITURE Wipe spills up immediately with a clean damp cloth. We recommend that furniture be cleaned with a dry or damp cloth. Avoid using cleaners or polishes that contain abrasive, solvents, acid or ammonia.

CERAMIC SANITARYWARE Clean with a damp cloth and warm soapy water; rinse with clean water and polish with a soft cloth. Avoid using cleaners that contain abrasive, solvents, acid or ammonia.

BRASSWARE Clean with a damp cloth, rinse clean and polish with a dry cloth. Avoid using cleaners that contain abrasive, solvents, acid or ammonia.

DIMENSIONAL TOLERANCE Due to the nature of materials and production processes dimensions may vary within a tolerance of ± 2%.

FURNITURE MATERIALS All timber finishes in the Aquis range are timber effects. There may be some variation due to the different materials and manufacturing processes used.

COLOUR REPRODUCTION Colour reproduction is as accurate as possible within the limitations of the printing process. Please ask for a sample of the actual colour. Also note, colours will vary under artificial light.

The Be Modern Group policy is one of continual improvement and development. We therefore reserve the right to alter materials and specifications without notice.
